Notes:

- Any University Arts and Sciences courses are potentially available to North Peace Senior Secondary students as “dual-credit” courses. For more information, check with the NPSS Dual-Credit Coordinator or with the NLC Recruiter. Dual-credit cohort courses run Feb—May (see Winter timetable, over). Dual-credit cohort courses are also available to regular-intake students.
- Plan your courses with NLC certificates, diplomas, and associate degrees in mind. See <http://nlc.bc.ca/programs.courses.php>
