

Annual Course Offerings – Transition Year September 2010 to July 2011

To help you plan we have included the annual course offering schedule. **This offerings list is only tentative and is subject to change without notice.**

We will try our best to notify students in advance of major changes to offerings to facilitate program completion planning. On occasion we may need to change the offerings without notice, therefore, if a course you need is not available or you have a serious issue that relates to financial aid eligibility and required courses, please email the department office at ecetadept@nlc.bc.ca.

If you would like help with academic planning, please see the academic planning form in the Frequently Asked Questions Guide on the EA website at <http://nlc.bc.ca/subsite.tat.php> and use the Annual Course Offerings table to come up with your individual plan, and then submit to the department office for feedback from the Chair.
