

ADMINISTRATION POLICY

AIRCRAFT ARRIVAL & DEPARTURE

(From Dawson Creek Campus)

EFFECTIVE: May 1983
REVISED: January 2009
RELATED POLICIES:

POLICY

Aircraft Maintenance Engineering (AME) students benefit from exposure to a wide range of aircraft types. Under specified conditions, private aircraft are used to enhance training aids available to learners.

PROCEDURE

Arrival and departure of helicopters will be under complete supervision of the AME Chair with permission from Transport Canada.
