Program Description: The Diploma in Interactive and Digital Technologies prepares graduates to work in the growing information technology industry that combines internet, multimedia, networking, and software technologies, management and marketing skills.

Admission Requirements:
*English is the language of instruction in all programs at NLC, thus it is imperative that NLC students meet minimum English Language Proficiency requirements.

*In University Arts and Sciences and Related Programs, it is understood that the minimum English Language Proficiency requirement is that which is required to graduate from a Canadian high school program conducted in English. This is defined in the English Language Requirement document.

plus,

A. Domestic students must have official transcripts demonstrating the following Math Requirement: One of the following with a 'C' grade (60%) or higher: Pre-calculus 11, Principles of Mathematics 11, Foundations of Math 11, Math 040, or equivalent. Alternatively, readiness for MATH 050 as determined by the CCP Math appraisal.

B. International students must have documentation demonstrating the following Math Requirement: One of the following with a 'C' grade (60%) or higher: Pre-calculus 11, Principles of Mathematics 11, Foundations of Math 11, Math 040, or equivalent. Alternatively, readiness for MATH 050 as determined by the CCP Math appraisal.
*Note that some University Arts and Sciences and related programs elective courses have specific prerequisites. Meeting the entrance requirements for the program does not ensure course prerequisites have been met for all available courses.

Length of Program: (weeks and total hours)
Four academic semesters (60 weeks) with a minimum of 945 hours in total. Students are required to complete this program within a four year period from the start date due to the technical and changing nature of many of the program courses.

Program Intake: (start/finish dates) For students that start in either Fall or Spring on an odd year (e.g. 2023) it is a two year program taken over four semesters with minimum of 15 credits per semester. Students may be able to start part-time at any time, but as the program follows a 2 year cycle some courses are only offered every two years and it will take longer to complete the program.
If a student starts the program in the Winter semester of an even year (e.g. 2024) it will take longer to complete the program, as some courses have prerequisites and/or are only offered every 2 years.

General Academic English Language Proficiency Requirements

1. Overview

English is the language of instruction in all programs at NLC. Thus, it is imperative that NLC students meet minimum English Language Proficiency requirements.

In University Arts and Sciences and additional baccalaureate-level programs, students are required to have English Studies 12, English First Peoples 12, ENGL 050, or an equivalent course. Required final grades are specified by program.

2. Select Baccalaureate-Level Programs

The following English Language Requirement applies to the Associate of Arts Degree (general)[1]; to diplomas in Archaeology, Business Management,[2] Criminology, Interactive Technologies and Game Design, Land and Water Resources, and Social Services Worker; and to certificates in Business Management and University Arts and Sciences.[3]

A. Domestic students[4] and students from countries[5] that practice Standard Written English must have official transcripts demonstrating that they have met one of the following English Requirements with a "B" grade or higher: English Studies 12, English First Peoples 12, English 050, or English 099; alternatively, any university-level English course[6] with a "C" grade or higher. Students who do not meet one of the above English requirements must complete the NLC Writing Assessment for appropriate course placement.

B. International students and domestic students who received their secondary education in French or another language must show that they have met the NLC English requirement for baccalaureate-level programs specified above by demonstrating one of the following:

- An IELTS result with an overall score of 6.0 or higher with no band less than 6.0. Students with a writing band of 6.0 are required to complete English 099 with a "B" grade or higher in their initial semester. Alternatively, NLC will accept a TOEFL iBT of 78, Canadian Academic English Assessment (CAEL) 60 overall band, Canadian Language Benchmark Assessment (CLBA) 8 in each section, Pearson Test of English (PTE) 57, Michigan English Language Assessment Battery (MELAB) 76, Cambridge-Michigan Language Assessment (CaMLA) 69 plus NLC's Writing Assessment.

- Documented completion of a post-secondary credential that is assessed as equivalent to a similar program from a reputable Canadian institution with its own appropriate English Language Requirement.

- Documented completion of the last two years of full-time Canadian secondary school education in English with a minimum grade of "B" in English 12, English Studies 12, English Literature 12, English 12 First Peoples, or equivalent.

- Completion of NLC's English for Academic Purposes (EAP) 060-level Certificate.

Where international students and domestic students who received their secondary education in French or another language are unable to provide an appropriate IELTS score or equivalent, such students may be conditionally enrolled in an NLC program with permission of the Chair. Upon arrival at NLC, these students will be assessed by the ESL department and transferred to the appropriate level of the EAP program as necessary.
