Jennifer Strand

My name is Jennifer Strand. I am a mature student in the Social Services Worker Diploma program at NLC. I am a wife and a mom to two boys. I have decided at forty years old, that it was time to go to college and to start working in an area that I am passionate about. I currently teach dance classes two evenings a week, and I plan to keep teaching dance and incorporating dance into my future work goals after graduating.

I am running for Treasurer for the Dawson Creek campus Student Council. I am running because I want to get involved in our school community and to learn everything I can. I am reliable, a hard worker, and I know I can commit time to this position. I am eager to learn and help. Thank you for your time and consideration.
