Students can nominate any student; faculty, staff, or administrative members can nominate students to be considered for valedictorian. All eligible nominees will be notified by email.

All eligible nominations will be reviewed by the Valedictorian Selection Committee following [NLC's Valedictorian Selection Criteria Guidelines](#) outlined in the policy. The Valedictorian Selection Committee is made up of diverse individuals who are part of our college community.

The Committee relies solely on the information you provide in this form to assess the nominee against the selection criteria. Since the answers to all the questions are a critical part of the evaluation of each nominee, we strongly recommend that you provide thorough and clear answers to aid the Committee in their decision-making.
